1. Definition of prestations

CannesVisiTour realize a prestation of discovery tour on gyropode for a definite period with participants. Circuits are preceded by a training of equipment using and of safety rules respect during these circuits

Each participant which is recognized able, can obtain on demand his Gyrolcence, allowing him to practice the circuit. The circuit is organized and supervised by at least one instructor.

2. Equipment available to participants

Participants acknowledge that they have had at their disposal equipment in good working order. If participants noticed a malfunction about equipment at their disposal, they should immediately report it to the instructor. A helmet is loaned during the tour time.

3. Obligations of participants

Participants acknowledge that they have done the preliminary and compulsory training course of safety rules and of driving. Participants make a commitment to respect all the safety rules taught in this session.

Participants assume keeping the equipment for the circuit duration. In particular, they warn immediately the instructor every time he leaves the equipment on public roads.

Participants do a strictly personal use of the equipment available to them, they agree to use it according to the explanations that have been provided to them at the training.

- The participant is fully responsible for the offenses that he commits and assumes any fines or penalties.
- The participant declares that he has a liability insurance and individual insurance against body accidents which cover him in case of use of Gyropodes.
- Minors must be accompanied on the authority of an adult (parent, family, guardian, accompanying...)
- In case of stolen equipment resulting from participant negligence, this one makes a commitment to pay the price of the equipment lent to its replacement value.
- The consumption of alcohol, drugs and medicines is prohibited before and during our tours and any client suspected of having used it, will be immediately deprived of the prestation and no refund will be granted.
- The participant declares that he has not a disease or disability that prevents him from using a Gyropode

CannesVisiTour shall not be liable:

- Damages caused by participants on equipment or themselves.
- Damages caused by the participants following an abnormal use or following a manipulation in contradiction with the modalities of use explained during the training and so resulting from the carelessness or from the fault of the participant.

4. Conditions
